- Member of Water Pollution Control Association
- Council Member of American Leather Chemist Assoc. Leather Industries of America
- Air and Waste Management Association

**Chris Ehret****610 223-2554**[Ehrets@gmail.com](mailto:Ehrets@gmail.com)**Course Offerings in Environmental Management, Safety and Risk Control**

- “Total Compliance Training” – Coverage of Hazard Communication, HAZWOPER, RCRA (Haz. Waste generation) and DOT training.
- "Environmental Management Series" - Penn State – Berks campus. The course includes 4 modules including: Integrated Environmental Management, Environmental Regulations, Waste Minimization, Source reduction and Crisis Management.
- Principals of Environmental Management – Penn State- Berks campus

- Principals of Health & Safety Program – Penn State- Berks campus
- ISO 14001 Compliance – Penn State- Berks campus
- Integrated Environmental Management level 1 - 6 weeks (2 hr. sessions)
- Integrated Environmental Management - Advanced
- International Environmental Economics – Penn State – Berks campus

Current programs are being offered at the Greater Reading Chamber of Commerce and Industry And Penn State.

Recent Offerings include the following:

- Problem Solving - The use of Failure Mode Effect & 8D Analysis
- Task Hazard Analysis for Safety Management
- Environmental Accounting
- Crisis Management
- ISO 14001 Certification (I am a certified ISO auditor by the RAB)

## **Publications**

“The Effects of Storm Water and associated Urban Runoff on the Water Quality of Two streams in the Cameron Watershed, Fairfax county, Virginia” Thesis George Washington University, 1970

“Development Document for Effluent limitations Guidelines and Standards”. Leather Tanning and Finishing”, Monitoring Data and Support Division of the USEPA, 1979

“Environmental Assessment for the Paint and Ink Manufacturing Industry”, Environmental Protection Agency, Monitoring Data Effluent Division of the USEPA, 1979

“Ammonia Reduction and Nitrification”, March 2002. Leather International Presented at the British Leather Center, Cleantech 2001 Conference.

“Reaching Zero the ISO Way”, ALCA Journal, February 2003.

“Utilization of the Quality Assurance Techniques in Tanneries”, The Journal of the American Leather chemists Association, Vol. LXXXV, No. 3, 1990.

“Task Hazard analysis”, Presented at the 16<sup>th</sup> Annual Environmental Management & Technology Conference and Exposition, Publication by the Advanstar Expositions, Environmental Group, 1998.
